

# 2024 Credit Union YOUTH MONTH

#CUYouthMonth

logo

## The History

During April, credit unions nationwide celebrate National Credit Union Youth Month and National Financial Literacy Month. While credit unions take financial education seriously all year, this month provides us with even more opportunities to work with our members and community partners to promote financial well-being for all.

## Get Started

Download a robust collection of logos, social media graphics and sample posts, coloring pages, a word search, crossword puzzle, and more!

theme

"save away for a rainy day"

more

These tools have been cooperatively compiled for your use by a group of credit union leagues and the American Association of Credit Union Leagues. Have other ideas? Share them with your league communicator!

## Ways to Celebrate

Whether you choose to celebrate in-branch or out in your community, you'll find an idea perfect for your credit union on this list.
